

FLEXIMATS

Flexi Tred

Ribbed vinyl sheet matting/flooring

Flexi Tred is a heavy duty 100% PVC matting/flooring for the most demanding industrial and high volume pedestrian traffic areas. It is very hard wearing with a textured rib pattern that provides extra slip resistance. Supplied in roll format, Flexi Tred is quick and easy to install.

Available in 4 bright colors to visually enhance any area..

Flexi Button

Deep stud vinyl sheet flooring

A hardwearing 100% PVC flooring from the Plastex range, Flexi Button's large circular patterned wear surface provides a firm grip under foot whilst its circular pattern is easy to clean. The flooring is also easy to lay, cut to shape and available in roll format in a choice of 4 colours.

ACTUAL SIZE

4mm

Flexi 2 Tred

Flexi 2 Tred has similar characteristics to Flexi Tred but with the added attraction of combined colours to further enhance walkways or provide area demarcation.

ACTUAL SIZE

3mm

ACTUAL SIZE

3.3 mm
