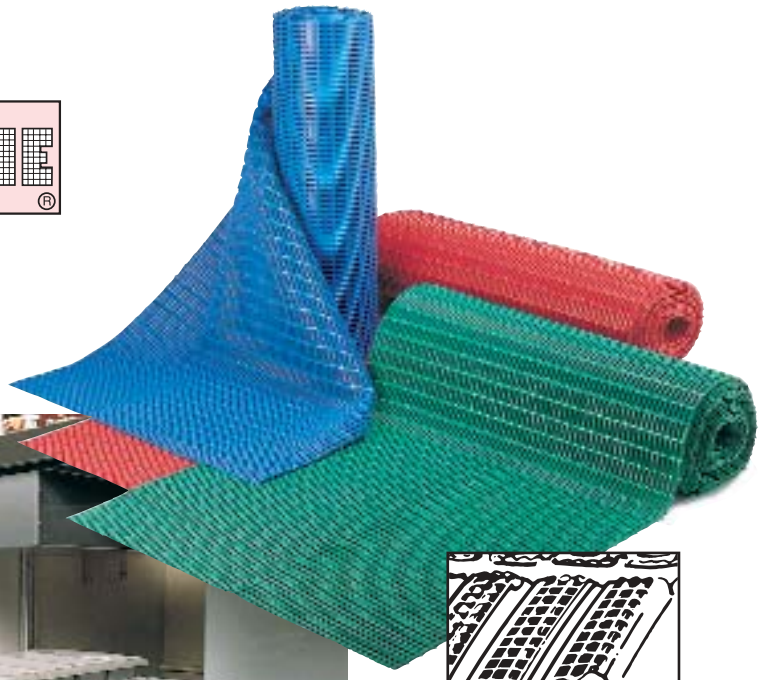
FLOORLINE®

Light Duty Matting

Decorative, soft and hardwearing



- ***Hardwearing and slip resistant.***
- ***Impervious to most liquids, acids and oils.***
- ***Cushioned comfort and insulating.***
- ***Covers any floor or uneven surface.***
- ***Light tubular construction.***
- ***Easy to lay, fit and relocate.***

Floorline is the answer for light industrial or commercial areas where slip resistance is required. Floorline also reduces the risk of breakages to dropped items and its open grid dissipates spillages.
Its hollow tubular construction makes matting light and thus easy to roll up for cleaning beneath.

Floorline is also available with a photoluminescent stripe providing escape routes and safety demarcation when lighting fails.
